Docket No. CP2017-43

ORDER APPROVING AMENDMENT ONE TO
PRIORITY MAIL & FIRST-CLASS PACKAGE SERVICE NEGOTIATED SERVICE
AGREEMENT

(Issued November 30, 2017)

I. INTRODUCTION

The Postal Service seeks to amend a Priority Mail & First-Class Package Service negotiated service agreement.¹ For the reasons discussed below, the Commission approves the Amendment.

¹ USPS Notice of Amendment to Priority Mail & First-Class Package Service Contract 35, with Portions Filed Under Seal, November 28, 2017 (Notice). The amendment is an attachment to the Notice (Amendment).

In Order No. 3643, the Commission approved the Priority Mail & First-Class Package Service Contract 35 negotiated service agreement (Existing Agreement).² On November 28, 2017, the Postal Service filed notice that it has agreed to the Amendment to the Existing Agreement.

II. COMMISSION ANALYSIS

The Commission has reviewed the Notice and the accompanying materials filed under seal.

Cost considerations. The Commission reviews competitive product prices to ensure that each product covers its attributable costs, does not cause market dominant products to subsidize competitive products, and contributes to the Postal Service's institutional costs. 39 U.S.C. § 3633(a); 39 C.F.R. §§ 3015.5 and 3015.7. As long as the revenue generated by the product exceeds its attributable costs, the product is unlikely to reduce the contribution of competitive products as a whole or to adversely affect the ability of competitive products as a whole to contribute an appropriate share of institutional costs. In other words, if a product covers its attributable costs, it is likely to comply with 39 U.S.C. § 3633(a).

The Amendment changes the types of Priority Mail and First-Class Package Service packages to which the negotiated rates apply, changes the types of packages that count towards the customer's volume commitment, and changes the timing of the annual adjustments to the negotiated rates. See Notice, Attachment A at 1-3.

The Amendment does not materially affect the underlying financial analysis of the Existing Agreement. Thus, the Commission finds that the Existing Agreement, as amended, comports with the provisions applicable to rates for competitive products in 39 U.S.C. § 3633(a) and 39 C.F.R. § 3015.7.

² See Docket Nos. MC2017-23 and CP2017-43, Order Adding Priority Mail & First-Class Package Service Contract 35 to the Competitive Product List, December 5, 2016 (Order No. 3643).

Other considerations. The Postal Service states that the Amendment shall become effective two business days after the date that the Commission completes its review. Notice at 1. If the Existing Agreement, as amended, is terminated prior to the scheduled expiration date, the Postal Service shall promptly notify the Commission.

In conclusion, the Commission approves the Existing Agreement, as amended.

III. ORDERING PARAGRAPHS

It is ordered:

1. The Commission approves the Priority Mail & First-Class Package Service Contract 35 negotiated service agreement, as amended.
2. The Postal Service shall notify the Commission if the Existing Agreement, as amended, terminates prior to the scheduled expiration date.

By the Commission.
